

Dear parents and guardians,

We would like to thank you for your patience. We are working hard to make sure our students can spend as much time at school as possible. In the next few days the student group will be divided so that they will be able to attend school every other day. Those parents who work in critical public roles can apply to the principle for their child(ren) to attend every day. Those roles include health services, public safety services, kindergardens, gradeshools, after school care and at welfare services and, because of the work they do, cannot keep their children at home. We will try to accomodate those needs to be best of our abilities.

We ask parents and guardians **not** to enter the school building unless they absolutely must. We have scheduled specific times for each class at which times they should arrive and at what time school ends. Parents and guardians are asked to drop off and pick up their child(ren) in front of the school. Furthermore, we have specific entrances for each class where they are allowed to enter and exit the building in order to minimize traffic inside the school. We kindly ask you to thoroughly familiarize yourselves with the following plan and follow it at all times.

After school care will be available until 16.00 but all organized activities will be cancelled (choir, Lego, football, etc.). We ask that parents/guardians pick up their children as soon as school ends if possible. The children who will be attending after school care should be picked up at certain times, either at 15.00 or 16.00. Parents/guardians are free to choose which time they prefer. Please note that after school care is only available those days that the children attend school.

Lunch will be served as usually, but the children should bring both fruit snacks and afternoon snacks. Please note that this also applies for 5 ára.

If any questions should arise we ask you to contact your child's teacher. These circumstances certainly are unusual but we ask that we all help each other out to make this work as well as possible for everybody.

With the kindest regards,
Staff og Ísaksskóli
